Chapter 1

Introduction

1.1 Purpose and scope of the paper

Lorem impsum...

1.2 Research context

Lorem impsum...

Chapter 2

Literature Search Strategy and Methodology

2.1 Review Methodology and Rationale

Lorem impsum...

2.2 Search approach and databases

Lorem impsum...

2.3 Keywords and search terms

Lorem impsum...

2.4 Inclusion and exclusion criteria

Lorem impsum...

2.5 Results and filtering process

Lorem impsum...

Chapter 3

The Landscape of Child Sexual Exploitation and Policing's Response

3.1   Scale and trajectory of CSA

Lorem impsum...

3.2   The grooming to contact offending pathway

Lorem impsum...

3.3   Policing's reactive posture

Lorem impsum...

3.4   The case for technological intervention

Lorem impsum...

Chapter 4

NLP and AI in Safeguarding and Criminal Justice Contexts

4.1 NLP applications in public services

Lorem impsum...

4.2 Computational approaches to grooming language detection

Lorem impsum...

4.3 The data provenance problem

Lorem impsum...

4.4 What the technical literature leaves unanswered

Lorem impsum...

Chapter 5

Technology Adoption and Organisational Change in Policing

5.1 Policing as a technology consumer

Lorem impsum...

5.2 Tacit versus explicit knowledge cultures

Lorem impsum...

5.3 Theoretical frameworks for technology adoption

Lorem impsum...

5.4 Structural fragmentation as an implementation barrier

Lorem impsum...

Chapter 6

Synthesis: Where Technical Possibility Meets Organisational Reality

6.1 The convergence problem

Lorem impsum...

6.2 Inductive and deductive reasoning across the two tracks

Lorem impsum...

6.3 Towards a theoretical position

Lorem impsum...

Chapter 7

Conceptual Framework and Research Questions

7.1   Presenting the conceptual framework

Lorem impsum...

7.2   How the literature has shaped the framework

Lorem impsum...

7.3   Refined research aim and sub-questions

Lorem impsum...

Chapter 8

Conclusions

8.1 Summary of the argument

Lorem impsum...

8.2 Implications for professional practice

Lorem impsum...

8.3 Next steps
